Hi Gédéon La,

Thank you for showing your interest in our BNU summer school program. I am the college of Dr. ZHENG Xudong and he has forwarded your email to me.

To apply for the scholarship of our summer school, please submit the following materials by sending an email to **fuhualai@bnu.edu.cn** before 26th April:
(1) A short, separate letter outlining the applicant's current funding status, financial needs and the estimated international travel expenses.
(2) An essay that discusses your interests in the topic "Chinese Thoughts and Modern Civilization", and your relevant previous study experience in no less than 1000 words. Applicants do not necessarily require relevant study experience in the program's topic.

Please also send the needed application to the above email address along with your scholarship application materials. Thank you!

Best, Wanzhi
